

## Note

There are multiple versions of Freenove control board. Your purchase may contain one of the following:

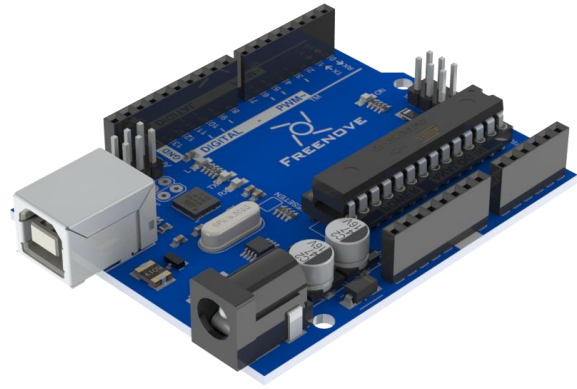

Freenove Control Board (Black)

Please start with "Tutorial(forBlackBoard).pdf".

Freenove Control Board (Blue)

Please start with "Tutorial(forBlueBoard).pdf".

**Note:** Please select the corresponding tutorial according to your model.

Although the colors and shapes of these control boards are somewhat different, their functions are the same. They can be replaced with each other, there is no difference in use.
